To All Parties:

The purpose of this email is to review our Pre-Hearing Conference of today. We thank you for participating and look forward to the hearing on the merits which is scheduled for May 13, 2021, at 10:00 a.m.

The pre-hearing conference took place by telephone. The Applicant, Antioch Educational Center, was represented by David Popowski. Darrel Owens and Jackie O'Bannon participated in the conference on behalf of the Applicant. ORS participated in the conference with Lessie Hammonds, Jenna Sarrell, Thomas McGill, and Tom Allen. JoAnne Wessinger Hill, General Counsel, and Sharon Besley, Staff Attorney, were present from the Public Service Commission. The telephone conference began at 2:00 pm and lasted approximately 15 minutes. No procedural issues were raised. A question arose regarding whether a shipper witness is required for a Class A, Restricted, Certificate, operating in only two counties. The Applicant indicated the State Transport Police will perform a safety check the day before the scheduled hearing. ORS indicated they do not plan to perform a site visit to inspect equipment, and, at this time, ORS does not plan to present witnesses at the hearing.

As a reminder, the pre-filed testimony deadlines were set forth in correspondence to the parties on March 18, 2021.

If any party would like to test their virtual, webex connection for the hearing, please contact Randy Erskine, PSC Technology, 896-5104 or Randy.Erskine@psc.sc.gov, to arrange a convenient time.

If any party has a change in the previously submitted survey link contact information, please notify the Commission.

Yours sincerely, Sharon Besley
